

EASTERN SENIOR HIGH SCHOOL

“THE PRIDE OF CAPTIVOL HILL”

October 29, 2009

To whom it may concern,

My name is Craig English. I work with the District of Columbia Public Schools At Eastern SHS. I am currently the Academy Coordinator of the Health and Medical Sciences Program At Eastern SHS located in Washington, DC. As the Coordinator I have many responsibilities, one of which is placing orders with vendors for medical equipment and resources. I have had the proud honor of working with **Bocalje Services, Inc.** for the past year and a half.

In particular I have worked with **Mr. Ernest Ezuma, with Bocalje Services Inc.** He has proven to be of the highest caliber in professionalism and business manner. In specific reference to purchase order 265780 placed on August 1, 2008, Mr. Ezuma was helpful and of extreme importance in assisting me in the placing of the order as well as ensuring the speedy delivery of the materials ordered.

Due to an complications in funding within the District of Columbia Public Schools for the Academy of Health and Medical Sciences, we have been unable to place an order, but have several orders that have been processed by Bocalje Services Inc. that are awaiting purchase order numbers. Mr. Ezuma has been respectful and understanding our funding issues and has been patient awaiting and serving the Academy of Health and Medical Sciences at Eastern SHS.

I highly recommend Bocalje Services Inc. as an approved vendor with the District of Columbia Public Schools and would recommend them for your services as well. If you have any further questions, please feel free to contact me at 301-312-3692.

Sincerely,

Craig English
